The Gordie Howe Hat Trick - \$7,000 (Has to be in before Oct. 15th)

In the tradition of the hard nose Mr. Hockey, here is your chance to be the team leader who gives everything you got to win. We are offering two different packages that would not only help publicize your company but also give back to the youth of the Pensacola area. You will get everything in the 'Hat Trick Hero' package plus a logo on the back rear part of the jersey or the back of the wind suit jacket. With that you will also receive your very own Jr Ice Flyers Jersey or wind suit jacket.

These options give you walking advertising in schools and as well as the community. Hockey players are known for wearing their jerseys to school just about every day. If they aren't wearing their jersey, they will be wearing their warm-up jacket. And then they will also be wearing their jerseys at the Pensacola Ice Flyers games, where again your sponsorship will be on display for people to see.

The kids are also going to be involved with the Pensacola Ice Flyers this season during intermissions breaks. This will also give you exposure on the ice during the pro games.

It's a win, win situation for both parties. This is a first come first serve item. Once someone has purchased these options, they will no longer be available, so act fast.

Option #1 Jerseys

Option #2 Wind suits

style subject to change
